**Refereeing Assistance Programme (RAP) at member association and confederation level**

Dear Sir or Madam,

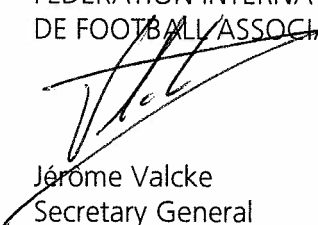

Further reference is made to our circular letter n. 1135 of January 23, 2008. We would like to inform that FIFA has appointed during 2008, in close cooperation with the confederations, FIFA refereeing development officers, FIFA technical instructors and FIFA physical fitness instructors in refereeing to form part of the existing FIFA development offices. (See attached list).

An extensive range of courses and workshops for referee instructors and referees have been already organised during 2008. We plan to increase this number in 2009 in order to improve the level of refereeing worldwide. Therefore our refereeing development officers will contact you soon in order to plan activities for referees and also for referee instructors of your association.

Thank you very much for your cooperation.

Yours faithfully,

FEDERATION INTERNATIONALE  
DE FOOTBALL ASSOCIATION
